2. Round the top corners and punch a 1/4" circle on the top of the white paper to form a tag.
3. Use the remaining portion of the Kraft pocket (from step 2) to stamp and emboss a diagonal line in white. Trim to 1/4" and adhere above the blue designer paper from the PP kit.
4. Use Wild Wasabi ink to stamp LOVE and YOU.
5. Ink up the flower stamp with Pacific Point, but before stamping, use an Aqua Painter to add a little water to the stamp. Stamp three times.
6. Cut two pieces of Pacific Point Baker's Twine from the PP kit and two pieces of Wild Wasabi Painted Blooms Cotton Twine approximately 11" long. Cut some Bermuda Bay Sequin Trim approximately 10" long. Fold the twine in half and feed the loop through the hole from front to back, feed the ends through the loop.
