Instructions:

1. Fold the card base with the green stripes in half on the score line.
2. Using the card crumb cake card base, cut in half on the score line. Set aside one half to use on another card. Using the 2nd half, cut (4) strips $\frac{3}{4}$ " x 5-1/2". Use the Banner Triple Punch to trim off one end. If you don't have this punch, trim by hand with scissors. Your banners should now be 5" long.
3. Glue each banner to the card base leaving about $\frac{1}{4}$ " spacing.
4. Cut a piece of Cherry Cobbler Cardstock measuring 1" x 4-1/4". Glue to card base about 1-3/4" from the bottom.
5. Pop out one of the die-cut mistletoes and add half-Stampin' Dimensionals to the green side. Glue to card front on the left-hand side with the white side showing.
6. Stamp the sentiment to the right of the mistletoe using the white ink.
7. Add white pearls to the mistletoe.
8. Card complete!
