## Featured Paper Pumpkin Kit:

- Season of Gratitude, October 2016

## Additional supplies used:

- 100730 Whisper White Cardstock 4" x 5-1/4"
- 142314 Window Sheets 4-1/4" x 3-1/2"
- 126965 Cajun Craze Ink
- 131173 Crushed Curry ink
- 126953 Old Olive Ink
- 141706 Layering Ovals Framelits Dies
- 133773 Sponge Daubers

## Instructions:

1. Fold the card base on the score line.
2. Using two leaf die-cut sheets, remove 2 of each leaf for a total of six. Add color to the leaves using Cajun Craze, Crushed Curry and Old Olive Ink pads using Sponge Daubers. Color two leaves with each ink color.
3. Using one layer from the die-cut leaves, cut the side without the leaves to measure 1-1/2" x 5-1/2". Glue to the bottom of the card base. Cut an oval using the largest of the Layering Ovals Dies on the card front 5/8" from the right side and centered.
4. Glue the window sheet to the back of the oval. Add foam strips around the oval on the backside. Place the leaves and some sequins inside the oval. TIP: Before adding the shaker pieces rub an Embossing Buddy around the sides of the foam so the pieces won't stick to the foam. Set aside.
5. Using the Whisper White Cardstock layer, stamp the sentiment about 1" from the top and 1-3/4" from the right side.
6. Remove backing from the foam strips and press the white cardstock piece in place so the sentiment peeks out the window.
7. Add twine around the bottom of the card by wrapping around the cardstock twice and tying into a bow.
8. Glue the leaves in place on the card front as shown in the photos and glue a few sequins in the background.

# With Gratitude Tree Shaker Card

All images © Stampin' Up!®

## Featured Paper Pumpkin Kit:

- Season of Gratitude, October 2016

## Additional supplies used:

- 101856 Vellum Cardstock
- 142314 Window Sheets
- 101731 White Craft Pad
- 137163 Sheltering Tree Stamp Set
- 141706 Layering Ovals Dies
- 143263 Big Shot
- 126889 Stampin' Trimmer
- 103579 Paper Snips
- 138309 Fine Tip Glue Pen
- 104332 SNAIL Adhesive

## Instructions:

1. Take a card from kit and stamp tree image from Sheltering Tree on the front as centered as possible. Glue sequins of various sizes and colors to the branches of the tree. Allow to dry.
2. Cut a portion of a second card to 3-3/4" x 5" and die-cut oval from the center (use largest oval die). Then stamp the crackle image randomly several times onto this piece. Set aside to dry.
3. Cut a piece of vellum to 3/4" x 4-1/2". Score each end a little less than 3/8" (for wrapping and securing the vellum to the front of the card). Between the 2 score lines and to the right stamp sentiment. Allow to dry.
4. Once everything is dry, adhere 3" x 4" window sheet piece to the back of the die-cut oval layer. Then wrap vellum strip around and secure ends to the backside with SNAIL.
5. Add foam adhesive strips to the backside of this die-cut oval layered piece so the strips outline the oval closely but do not show through the window from the front. Wipe the inside edges of the adhesive strips with a tissue. This gets rid of any sticky areas and ensures that the window sheet is clean/free of fingerprints.
6. Sprinkle a small pile of sequins in the center of your card base (in the center of your tree). Remove the backings off the adhesive strips, huff on the underside of the window sheet to get rid of any static, stick down this layer onto your card front so it's centered and encasing the loose pile of sequins.
7. Give it a shake.

6. Remove the copy paper pieces and add some Old Olive Baker's Twine along the edges of the stenciled pattern. Tie a bow and add it with a Mini Glue Dot.
7. Gather up your punched out leaves and punch a couple more. Add these to the card randomly. You can cut the leaves and use both halves for the edges.
8. Stamp the greeting on one of the Delightful Dijon banners near the left edge. Add it to the right edge of the Very Vanilla layer.
9. Add a few of the sequins from the kit with the Multipurpose Liquid Glue and assemble the layers onto a card base included in the kit.
