Pop Up Card with Butterflies

Cardstock Pieces:

- 8" x 8" Rose Red cardstock
- (3) 3-1/2" x 3-1/2" Whisper White cardstock
- 3-1/2" x 1" Striped DSP
- 4" x 1" Sahara Sand Dots DSP
- Scrap Whisper White cardstock
- Scrap Bermuda Bay cardstock

Instructions:

1. Score Rose Red cardstock at 4", turn and score at 4" again. Cut along the middle score line and score on a diagonal as shown in the diagram.
2. Pull the bottom right fourth of the square over on top of the bottom left fourth and adhere to create a diagonal cross section of a box.

FIG. 3

FOLD OVER

--- FOLD
— CUT

3. On the white squares:
 - a. Create “faux” clouds with the scallop circle punchout. Hold it near the bottom of the cardstock and sponge with Bermuda Bay ink around the edge. Move the scallop circle and sponge again, working from bottom to top until the cardstock is filled with areas of white and sponged blue. Using the Flight of the Butterfly stamp set, stamp butterfly trail in Rose Red ink. Adhere stamped and punched butterfly with a Stampin’ Dimensional. (Stamp and Punch TWO butterflies with Sahara Sand ink (stamped off) and Rose Red ink on the white scrap paper). Note: When you adhere this square to the card, only put adhesive on the top half so the bottom portion can pull out and fold flat with the card. Put adhesive on the Rose Red diagonal fold to make sure the adhesive goes only where it needs to be.

- b. Stamp a collage of butterflies and flowers. Start with the large outline butterfly in Rose Red ink and then fill in empty space with the small bold butterfly in Sahara Sand ink and lastly, the small blue flower in Bermuda Bay ink.
 - c. Adhere the strip of striped Thoroughly Modern Designer Series Paper to the bottom of the square. Stamp greeting from Full of Life in Rose Red ink.
4. On the front, adhere the polka dot DSP about 1” from the bottom of the card. Punch a 1-3/8” Circle from Bermuda Bay cardstock. Adhere the second stamped and punched butterfly with a Stampin’ Dimensional on the circle. Adhere ribbon around the front and back of the card. Use a Stampin’ Dimensional to add the butterfly circle over the ribbon.
