Directions:

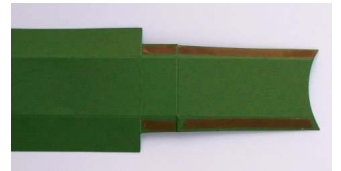

1. Use 4" x 11" cardstock to die cut one Petite Pocket with the Big Shot.
2. With the round flap at the top of the Simply Scored Tool, score down at 7/8" and 2-1/4".
3. Rotate the pocket so the round flap is against the left side of the scoring tool. Score down at 2-1/4" and 6-1/2".

- Cut on the solid lines shown in the diagram on the right. Completely cut off the sides of the round flap at the top.

- Apply Sticky Strip to the four skinny side flaps nearest to the concave end.

- Assemble box and embellish.
