Instructions:

- 1. Trim 1/16" from the long side of both Raspberry Ripple cardstock, so the widths become 4 3/16" x 11" and 5 7/16" x 8 ½". (Note: This step has already been done for you.) Trimming a little off the sides will allow the cards to fit together and close without buckling.
- 2. Score the 4 ¼" x 11" cardstock at 2 ¾" from each end.
- 3. Score the $5 \frac{1}{2}$ " x $8 \frac{1}{2}$ " cardstock from 2-1/8" from each end.
- 4. Adhere one card inside the other with a strong adhesive such as Sticky Strip. (It doesn't matter which one is inside.)
- 5. Stamp the Birthday Cake in Summer Starfruit on the Whisper White cardstock. Stamp the inside card sentiment in Raspberry Ripple ink over the cake. Adhere to the inside of the card.
- 6. Fold the corners of the card in so that each side has a corner showing.
- 7. Adhere the Designer Paper to the corners of the card front.
- 8. Stamp the outside sentiment in Raspberry Ripple ink on Whisper White cardstock and cut apart the words: "A birthday", "wish", "that's just", "for you...". Adhere the pieces over the Summer Starfruit Designer Paper.
- 9. Use the designer paper scrap on the table to punch two pennants with the Pennant Builder Punch. Use scissors to cut a rounded edge from one corner to the other. Adhere the hats to the card, using Stampin' Dimensionals under one. Adhere the In Color Dahlias to the card using Mini Glue Dots.
