

Half Circle Pop Up Card Tutorial

Supplies:

- 4 ¼" x 11" Blackberry Bliss cardstock
- 3 ½" x 4 ¼" Lost Lagoon cardstock
- ½" x 4 ¼" Mossy Meadow cardstock
- 3-3/8" x 9 ½" Whisper White cardstock (for inside)
- 3-3/8" x 5" Lost Lagoon cardstock (for inside)
- ½" x 3 ¼" Window Sheet

Instructions:

- Score the Whisper White cardstock at 1", 2 ¾", and 4½".
- Center the 2-1/2" Circle Punch in the center score line and punch.
- Fold on the score lines so the punched halves are the "mountain".
- Use glue dots to attach a piece of Window Sheet inside the fold.
- Use glue dots to attach two punched images on either side of the window sheet.
- Adhere the Whisper White cardstock to the inside of the card first. Be careful to line it up straight and be mindful of the fold. Adhere the edges on either side of the fold.
- The Lost Lagoon cardstock will cover 1" of the Whisper White cardstock. Line up the Lost Lagoon edges to the top and sides of the card and not the Whisper White cardstock to keep it straight.
