Pleated Paper Fold Technique

Measurements:

- 4-1/4" x 11" Cucumber Crush cardstock, scored at 5-1/2" to make a standard card.
- 3" x 8-3/8" Designer Paper
- 1/2" x 4-1/4" Watermelon Wonder cardstock
- 2-3/4" x 3-3/4" Very Vanilla cardstock

Directions:

1. Score the designer paper at 3", 4", 6", and 7".
2. Using your Stampin' Trimmer, line up one end of the paper at 1" and the opposite edge of the 3" score mark in the cutting line and make a diagonal cut.
3. Fold the paper back and forth to create a pleat and adhere to your card.
