

Miura Fold Card Tutorial (aka Mirror Fold)

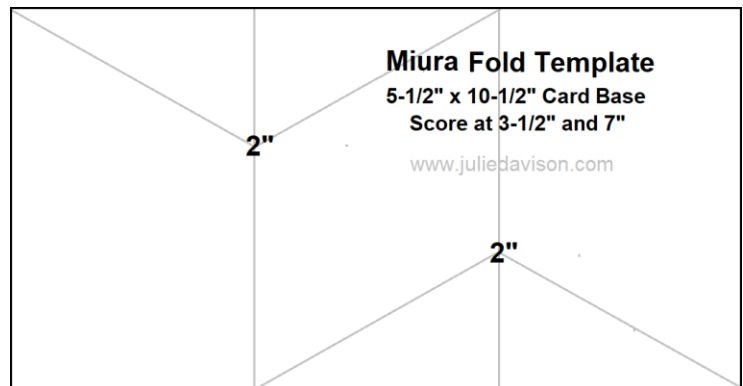

Measurements:

- 5-1/2" x 10-1/2" Card Base, scored at 3-1/2" and 7"
- (2) 3-1/4" x 5-1/4" Designer Paper
- (2) 3-1/4" x 5" Basic White
- (2) 1-3/4" x 3-1/4" Designer Paper
- 3-1/2" x 5-1/2" Back for card base

Directions:

- Score the card base at 3 1/2" and 7".
- Measure and mark 2" from top of the first score line. Score diagonally from score mark up to each section corner.
- Measure and mark 2" from the bottom of the second score line. Score diagonally from score mark down to each section corner.
- Measure and mark 2" on the side of large designer paper and cut up to the opposite corner.
- Measure and mark 1-15/16" from each end on opposite sides and then cut from marks to the opposite corners to make a trapezoid for the "inside" -- optional, for colored card bases.
- Cut smaller pieces of designer paper in half diagonally. (Make sure to cut the second piece in the opposite diagonal direction.)
- Layer and embellish card as desired.
