

Arrow Card Tutorial

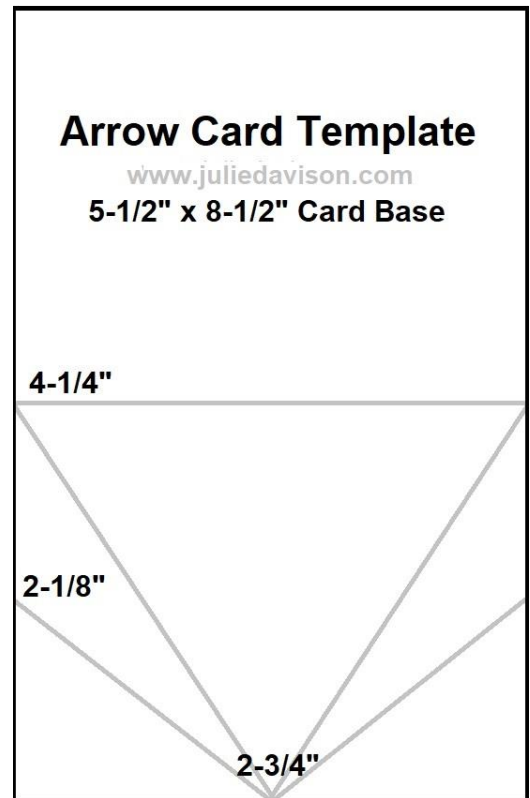

Measurements:

- 5-1/2" x 8-1/2" Card Base
- 4" x 5-1/4" Designer Paper
- 4" x 5-1/4" Basic White Cardstock (inside)

Directions:

- Score card base at 4-1/4".
- Use a pencil to mark halfway points on the other three sides (2-1/8" on the short side and 2-3/4" on the long side).
- Score diagonally from the bottom center mark to each side center mark.
- Score diagonally from the bottom center mark to each top corner at the score line.
- Fold on the score lines and secure with adhesive to create the arrow fold.
- For Designer Paper embellishment, mark at 2-5/8" (center of 5-1/4") and cut from that mark to each corner on the opposite long side.
